**From MOU:**

- Other Meetings/PD: PD/PLC's should be purposeful, meaningful and targeted and are often most effective in small groups, grade levels and department groups. Meetings will be scheduled by the Thursday of the prior week. Principals will utilize other delivery methods for PD/PLC meetings other than whole staff and will keep them as short as possible.
- PD/PLC meetings, other than staff meetings and instructional assistance, will commence after September 22nd, to allow teachers to adjust to teaching with the Distance Learning model. Meetings will be rotated between the AM and PM Intervention blocks for elementary schools. Meetings at middle school will start no later than 1:25.
