

TALC Notes for Reps

August 2018

TAL: Gina, Bill, Kym, Wendy P., Edith, Bertha

District: Lexy, Mike D., Larry, Bart, Rebecca, Dr. Bowers

1. District would like to receive the TALC notes that are shared with reps.
2. Per Bart: Physical education minutes will need to be logged. A Google Form will be created to make it easy for teachers to document that they are getting 200 minutes every 10 days per Ed. Code.
3. Per Bart: PE and Math do NOT have to be done at the same time across a grade level.
4. Per Bart: Math instruction will be the focus of district leadership. Walk-throughs are scheduled to observe math instruction and/or intervention, not to observe teachers or for teacher evaluation.
5. Teachers receiving CKH training (during school day) are not required to stay past their duty day hours.
6. Emergency release day last school year: Dr. Bowers explained what she was told by law enforcement. Gina explained what her staff did during that day, and asked that staff safety also be considered should an emergency happen again.
7. Sign at Endeavor is still not fixed; Larry will follow up.
8. Gina asked that an email be sent when there are open positions; Lexy agreed to discuss and an MOU will possibly be written.
9. Discussion about one site being required to make positive family phone calls and keep a log; also at same site, they were required to fill out a form after collaboration and planning day.
10. Red Cat microphone discussion: district has invested a lot of money in them and would like them to be used. Use is NOT required but is encouraged if a teacher has a quieter voice. They can also be used by students.

Next TALC is September 17, 2018.

Respectfully submitted,

Wendy Perry

TAL Executive Secretary
