

TALC Notes for Reps
October 15, 2018

TAL: Gina, Bill, Wendy P., Edith, Bertha
District: Mike D., Larry, Bart, Rebecca

1. Discussed a flyer handed out and supposedly approved by LSD for the Good News Club; Larry will follow up.
2. Discussed teachers being denied copies of IEPs; Mike D. will follow up with Rosemary.
3. Discussion about F&A and student acquisition. District is working on this and more info will follow.
4. Bill brought up issues with GradeBook Pro; grades are being changed within the program as standards are weighted. Rebecca reminded us that teachers can always override final grades; she will find out if teachers can adjust the weight given to standards.
5. Discussion about ELD testing (LAS); all testing should be done by the paras and the chairs, as they are getting a stipend. Bart will look into this and follow up.
6. Bart discussed and shared the walk-through tools (google forms) that will be used by district admin as they visit classrooms. There are forms for math instruction, P.E., AVID, ELD, PLT/inquiry, and intervention. These visits will be unannounced. The forms have been shared with the TALC team.
7. Rebecca shared that an alert has been added to PowerSchool that shows spec.ed, homeless, and foster status. It is an icon that looks like a piece of paper.

Next TALC is November 26.
